Request for Continuance

Dear Judge Chesler,

The above named offender is pending a sentencing hearing before Your Honor on June 9, 2009 as a result of a formal violation of supervised release petition.

The offender's probation officer in the Eastern District of Pennsylvania, Nicole Seader, provided a current status report of the offender. She asserts that he is currently employed and has been compliant with his mental health treatment. Although the investigation still continues into his financial background and ability to pay his restitution, USPO Seader stated the offender has made some progress since his last appearance before Your Honor.

It is at the request of USPO Seader that the sentencing hearing for this offender be continued for another 90 days to allow Mr. McKenna more time to re-establish compliance with his supervision.

We remain available to discuss this request with Your Honor.

Very truly yours,

CHRISTOPHER MALONEY, Chief

U.S. Probation Officer
